

Invitation to the International Convention of Marine Renewable Energy (THETIS MRE)

An exhibition designed to gather all the marine renewable energy organisations in one place

Brest, France – 9-11 April 2013

THETIS MRE is an annual exhibition which was created to encourage technological, economical, industrial initiatives to help build the future of marine renewable energy.

www.thetis-emr.com

Agenda

Tuesday 9 April

An opportunity for UK companies to visit key sites and organisations in Brest including:

- Brest Harbour
- DCNS – the French naval defence company
- Institute of Excellence in Carbon Free Energy
- Pôle mer Bretagne – the Sea World Competitiveness cluster
- ENSTA Bretagne – the French graduate and research institute

Wednesday 10 April

- Exhibition opens at 10.00am
- Networking coffee for CHAIN companies on the Technopôle Brest-Iroise exhibition stand
- Conference programme, including:
 - Subcontracting opportunities in the MRE sector
 - Feedback on MW/h production cost
- B2B convention organised by the EEN Network <http://www.enterprise-europe-network.ec.europa.eu>
Register at <http://www.b2match.eu/thetis-bretagne2013?locale=en>

Thursday 11 April

- Conference programme including:
 - Building and maintenance of offshore energy parks
 - Electricity production management
- B2B convention organised by the EEN Network <http://www.enterprise-europe-network.ec.europa.eu>
Register at <http://www.b2match.eu/thetis-bretagne2013?locale=en>

Be part of an international convention specifically dedicated to MRE

- Discover the opportunities in the French market since France committed itself to 23% of renewable energy in its global energy consumption
- Meet future partners and customers
- Demonstrate your know-how and your experience in this area in front of future partners
- Learn from the world leaders and share the latest technologies

The Design Programme, in partnership with Technopôle Brest-Iroise, through the CHAIN project, is offering a limited number of South East and South West based businesses places this supported visit to THETIS MRE.

- Entrance into the exhibition is FREE
- Build your own agenda within the three day programme
- Our partners from Technopôle Brest-Iroise can help with your logistics regarding accommodation and transport to the exhibition.

The Channel Innovation Network (CHAIN) is an EU funded project set up to build trading opportunities between UK and French companies.
