

# WSX Enterprise 2018

# Delivery & Impact

WSX Enterprise continues to provide support for new entrepreneurs and established businesses across the South of England, as well as economic benefit for those who live and work in our region.

Here are some highlights:

# A snapshot of our range of business activities this year:

- Dorset Growth Hub** → A comprehensive business support service across Dorset
- Inspiring Enterprise** → We continue to create new business entrepreneurs from local communities
- Aldershot Enterprise Centre** → Cost effective working space for new businesses with free business support
- Mentor-Net** → Business mentoring and advice for new and established businesses
- Access to Finance** → Support delivered across the Coast to Capital LEP area
- One Stop Shop** → EU project to improve support for new entrepreneurs
- Digital Capability** → Helping Solent businesses improve their digital technologies
- Everywhere International** → EU project to develop better strategies for businesses to import and export
- Business Forums** → A new approach to helping local businesses network
- PONToon** → EU project to help women gain employment in the digital sector
- Beezeen** → An innovative online business community across the Wessex region
- SPEED** → EU project giving supply chain support for ports across Southern and Northern Europe
- Europe Direct Information Centre** → Giving EU advice and information to EU citizens
- Portsmouth Business Support Bank** → Specific business advice programme for Portsmouth residents and businesses
