Programme Details

An inspiring training, coaching and mentoring programme.

- This includes: guiding participants to discover their talents, learning new entrepreneurial & employability skills and supporting them to set up their own business.
- Participants will learn new skills which will help them to either set up a business or find employment. They will gain confidence and motivation to learn and work.
- The programme is delivered face-to-face or online to groups in Hampshire and Surrey.

Who is the project for?

Any unemployed person aged 16 to 25 who would like to discover new career opportunities, come up with a business idea and learn how to set up a business.

Who runs the sessions?

The project is managed and delivered by WSX Enterprise, experts in supporting people start and grow their business.

The sessions are run by our Enterprise Coordinator with support from coaches and experts on entrepreneurship and developing a business.
