The training event (C2) was held in Aldershot, UK between 19-23 September 2022. Hosted by WSX, the C2 event was attended by 13 trainers and 27 students from 7 partner organisations.

The training was highly interactive with many indoor, outdoor and digital activities. While the trainers shared their experiences, the learners increased their experiences.

- Is Self Employment for me?(WSX)
 - Networking(MUSEV)
 - Self Confidence(ALLI)
- Digital Resources (PROWORK)
- Social Enterprise(MADPL)

As 19 September was a public holiday due to Queen Elizabeth's funeral, the trainings started on 20 September with Bucovina's presentation on communication and leadership in entrepreneurship. WSX ended the first day by sharing their experiences on self-employment.

21 September continued with MUSEV's presentation on networking and ALLI's presentation on self-confidence. 22 September started with PROWORK's digital resources presentation and ended with Guildford, a great trip to history. On the last day, the event continued with MADPL social entrepreneurship and open space technique and ended with the certificate ceremony.
